## Overview

bestpaymentgatewayinbangladesh.com is an independent editorial comparison website about payment gateway providers in Bangladesh. We do not process payments, provide merchant accounts, collect card details, or operate payment infrastructure.

## Information We Collect

We may receive information you send by email, such as your name, email address, company details, and the content of your message. The website does not include a contact form and does not intentionally collect payment information.

## Technical Data

Basic server logs may include IP address, browser type, requested URL, referrer, and timestamp for security, diagnostics, and abuse prevention. No third-party analytics tools are installed unless this document is later updated.

## How We Use Information

We use information to respond to messages, maintain website security, correct editorial information, and improve the usefulness of the comparison content.

## Sharing

We do not sell personal information. We may share limited information with service providers needed to host, secure, or operate the website, or when required by law.

## Contact

For privacy questions, email [contact@bestpaymentgatewayinbangladesh.com](mailto:contact@bestpaymentgatewayinbangladesh.com).
